2024 NATIONAL CYBERSECURITY VIRTUAL CAREER FAIR

THE 8TH ANNUAL NATIONAL CYBERSECURITY VIRTUAL CAREER FAIR, SPONSORED BY NCYTE AND THE CAE COMMUNITY IS RIGHT AROUND THE CORNER! JOIN STUDENTS AND ALUMNI FROM OVER 450 INSTITUTIONS ACROSS THE NATION, DESIGNATED AS CENTERS OF ACADEMIC EXCELLENCE IN CYBERSECURITY, WITH EMPLOYERS SEEKING TOP CYBER TALENT.

SEPTEMBER 27, 2024

9AM-1PM PACIFIC

12PM-4PM EASTERN

NCYTE
CENTER

2024 National Cybersecurity Virtual Career Fair

September 27, 2024

9:00 am - 1:00 pm PST

Over 1,100 students and alumni participated in last year's virtual career fair. Will you be one of those students this year? If not already registered select the Student link below to sign up today!

Are you one of the employers from industry, government, and academia that will be seeking top cyber talent from over 450 institutions designated as Centers of Academic Excellence in Research (CAE-R), Cyber Defense (CAE-CD), and Cyber Operations (CAE-CO), and institutions in the Candidate's Program (pending approval)?

With over 1,100 students and alumni, you'll want a team of personnel staffing your virtual booth. Though not required, those employers with at least four personnel available to engage were much more satisfied with their connection outcomes. If your organization is not already signed up and committed to participate, you may get started now by selecting the Employer link below.

Teach Cyber Today!

October 18, 2024

9 - 10 am PST | Virtual

[Register Now!](#)

Join us to explore the array of cybersecurity curricula available free at the [CLARK Center!](#)

CLARK offers access to over 1,700 high-quality, impactful cybersecurity curriculum modules, created by leading researchers and rigorously peer-reviewed by instructional designers and subject matter experts.

Whether you're looking to introduce new cybersecurity courses or enhance your existing curriculum, CLARK provides ready-to-use, customizable content, including videos, labs, and slides, all available under a Creative Commons 4.0 license.

In today's session, our presenters will guide you through a tour of the platform, showcasing popular materials and demonstrating how easy it is to download and integrate free cybersecurity modules into your classroom.

Don't miss this opportunity to upgrade your cybersecurity curriculum!
